

CAN WE TALK FOR A MINUTE?

Organisation Overview

A short overview of who we are, what we're doing today, the experience this work is built on, and where we're heading.

A note on this document: This document will bring together our story, our current programs, our track record and our vision in one place, suitable for funders, councils and partner organisations. This is a placeholder while that full version is prepared — please get in touch at hello@canwetalkforaminute.org if you need more detail sooner.
