

CAN WE TALK FOR A MINUTE?

Our Vision

Nourish. Restore. Grow. Connect. Four directions we're building toward — not existing services, but the shape of where this organisation is heading.

A note on this document: This document will set out our full vision in detail: the thinking behind each direction, and how they connect into one long-term plan. This is a placeholder while that full version is prepared — please get in touch at hello@canwetalkforaminute.org if you need more detail sooner.
